16 DREAMS WAITING FOR A "YES"

Every child deserves the opportunity to stay in school. Meet sixteen remarkable learners whose futures depend on sponsorship.

FROM THE PRINCIPAL

A Future Worth Investing In

Mr. Humphrey Simiyu

Principal,

Logos Christian School, Limuru

Dear Friends and Partners,

At Logos Christian School, we believe every child is created with purpose. Our mission is to provide Christ-centered education in a safe, nurturing environment where learners can thrive academically, spiritually, and socially.

Today, sixteen of our students face an uncertain future. Without sponsorship, they risk losing access to the education that is transforming their lives. Each one carries a dream, a unique gift, and the potential to impact their community.

I invite you to read their stories and prayerfully consider whether God might be calling you to say YES to one of these remarkable children.
